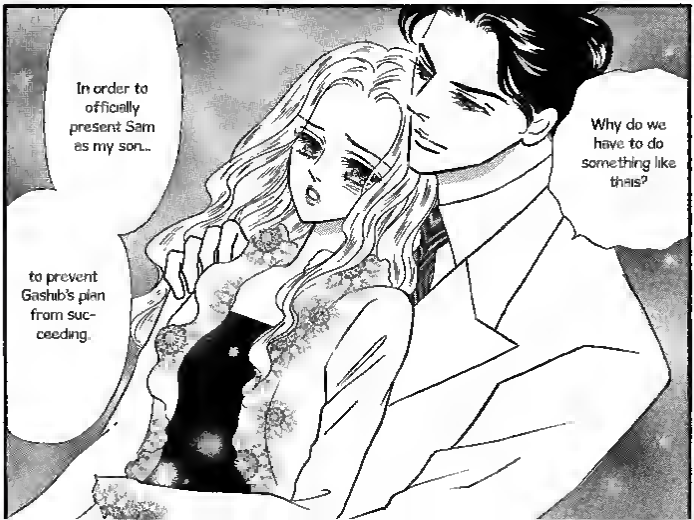
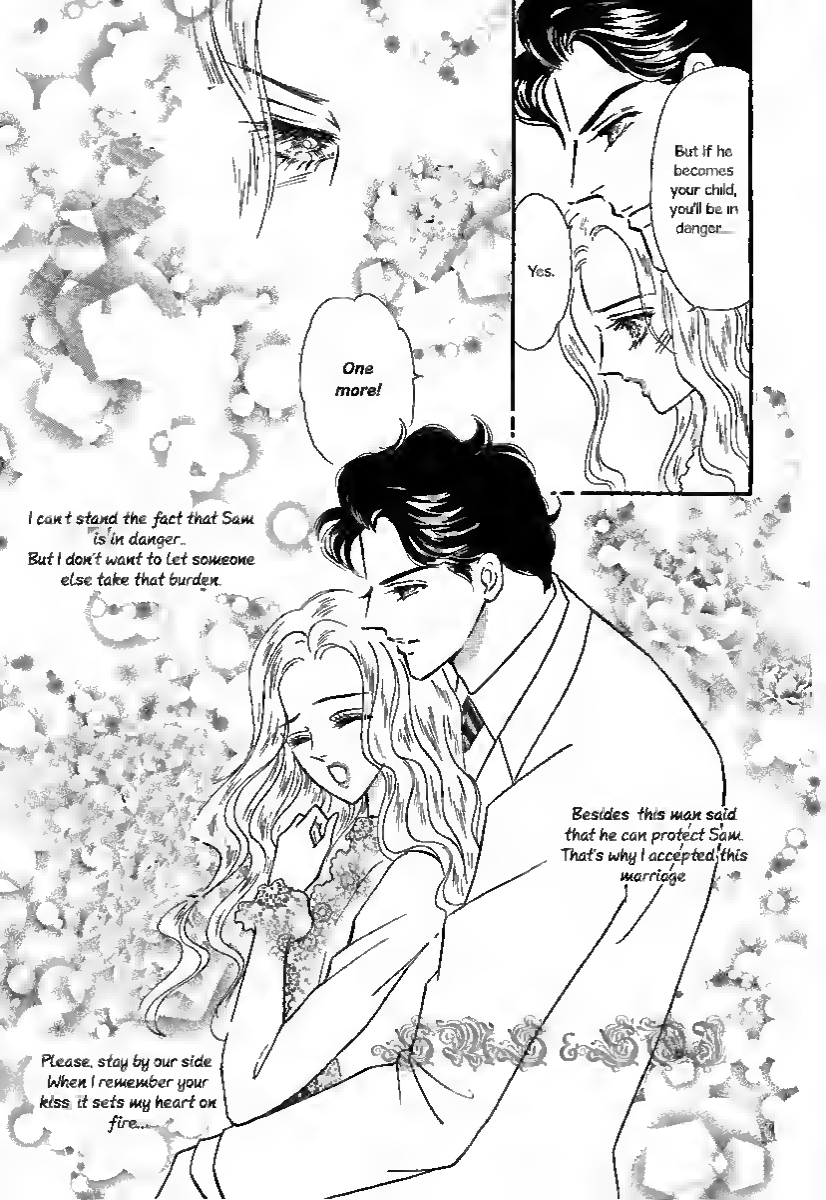
Smile too, little kid!
Cheese!
Please, be patient
One more !

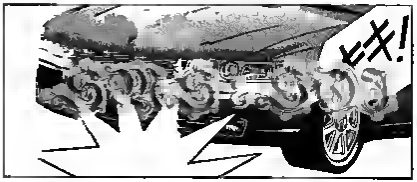


In order to officially present Sam as my son...
to prevent Gashib's plan from succeeding.
Why do we have to do something like this?



But if he becomes your child, you'll be in danger...
Yes.
One more!
I can't stand the fact that Sam is in danger.. But I don't want to let someone else take that burden.
Besides this man said that he can protect Sam. That's why I accepted this marriage
Please, stay by our side When I remember your kiss, it sets my heart on fire...

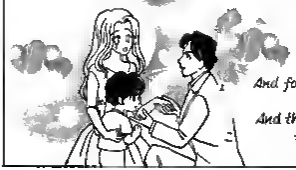
what a beautiful view...
.....
Come inside, my lady.
or your beautiful white skin will turn all red.
You spend 5 years without mister Najib so now you have to take care of yourself.
Sam and I moved to the west wing of the palace of Barakatt
I can't believe we have an ocean view...



This what Najib told them
He came to England 5years ago
found a lover and married her

Then, when he was back to his home country he had an accident and lost in memories

So when finally got his memories back, he got on a plane



And found his family again.
And they came home together.

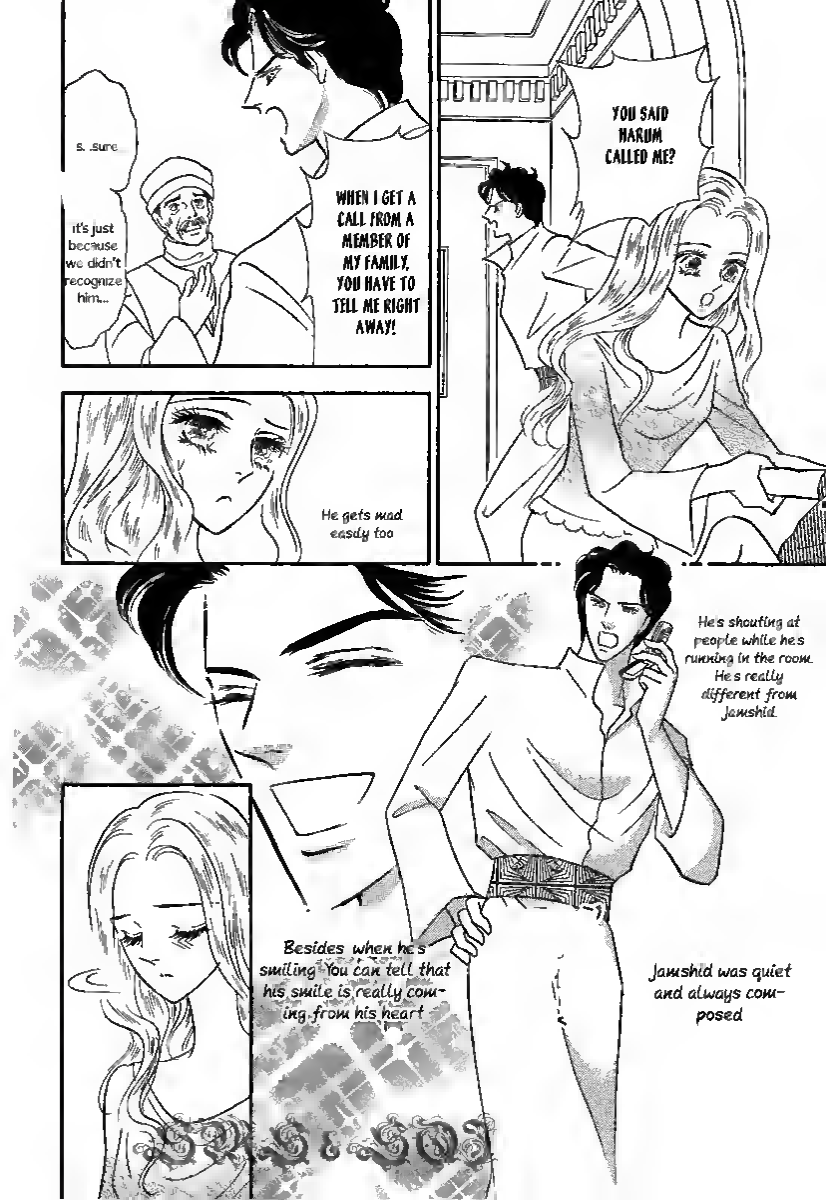
but everything's fine now, you're together.....
It must have been so hard for you...
I think that it's completely stupid! No one will believe that story! However...
So? What do you think?
You and Mister Najib were reunited by a miracle!
Maybe people here like fairy tales?

Fairy tales...
If it was Jamshid who lost his memories...
He who had come back 5 years later
It would have been a real... miracle.
But 5 years later
Why is Najib the one who came to my door?
Where is Sam?

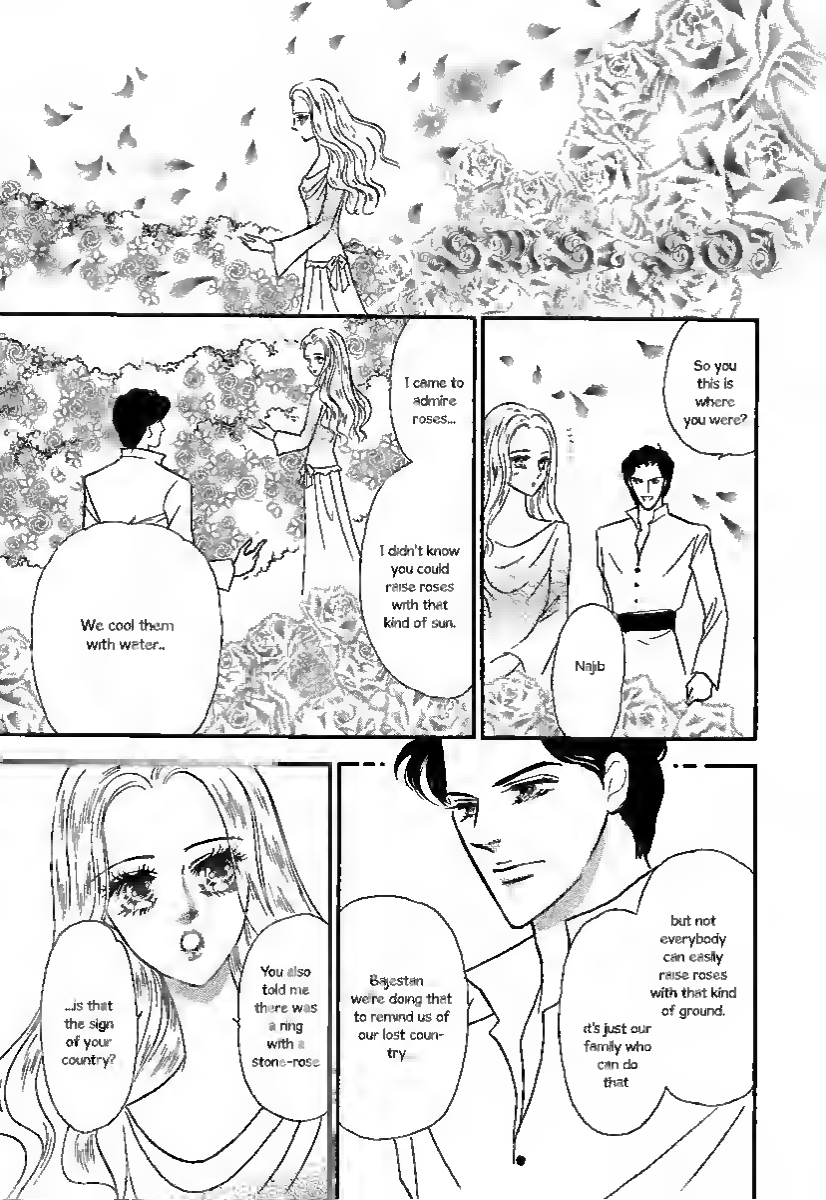
Is he outside again?
That's already get used of summer here
MAMA!
MAMA!
LOOK!
LOOK!!
LOOK WHAT I'M WEARING!
Lighter clothes are better for summer

ドサ!
LOOK AT IT!
A PARACHUTE!
SAM!
SAM!
sniff...
See? That's just a little scratch!
You can bear the pain.
y yes..
Good boy!
YOU'RE A MAN!
SO DON'T CRY!

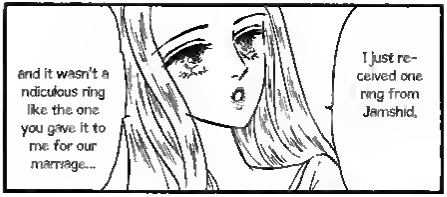
He's a boy, they're like that. I was also impulsive when I was his age...
But Sam is really impulsive and one day he could have a serious injury if he doesn't pay attention.
...oh, I see... I understand what you're saying...
Children cry because they get scared, not because of the pain.
Then boys are always like that? Sam is always worried about making me cry
but when she started to cry, I suddenly stopped.
even I was scolded by my mom, I wasn't listening to her ..
that's true. After all, they're share the same blood
Sam and I are the same.
GNN...
Calm down! You shouldn't become angry that easily!
YOU'RE MEAN!
NO! I DON'T WANT TO!
HEY!
You'll have to play later! You promised me to read at least 5 pages per day!
Sam!



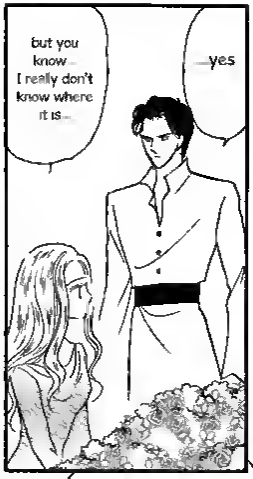
WHEN I GET A CALL FROM A MEMBER OF MY FAMILY, YOU HAVE TO TELL ME RIGHT AWAY!
it's just because we didn't recognize him...
s. .sure
YOU SAID HARUM CALLED ME?
He gets mad easily too
He's shouting at people while he's running in the room. He's really different from Jamshid.
Jamshid was quiet and always composed
Besides when he's smiling you can tell that his smile is really coming from his heart



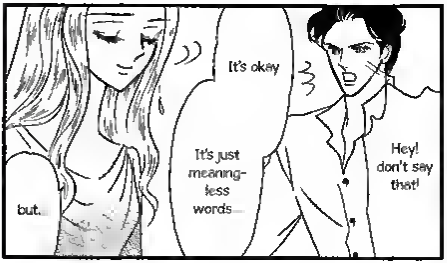
I came to admire roses...
I didn't know you could raise roses with that kind of sun.
We cool them with water..
So you this is where you were?
Najib
but not everybody can easily raise roses with that kind of ground.
It's just our family who can do that
Bajestan we're doing that to remind us of our lost country
You also told me there was a ring with a stone-rose
...is that the sign of your country?



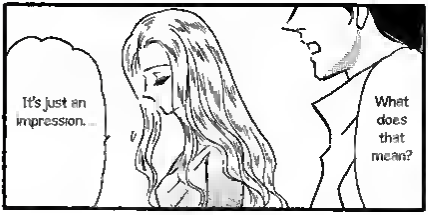
and it wasn't a ridiculous ring like the one you gave it to me for our marriage...
I just received one ring from Jamshid,



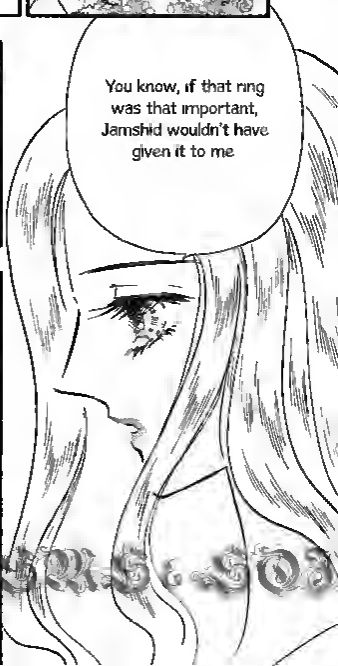
but you know... I really don't know where it is...
...yes



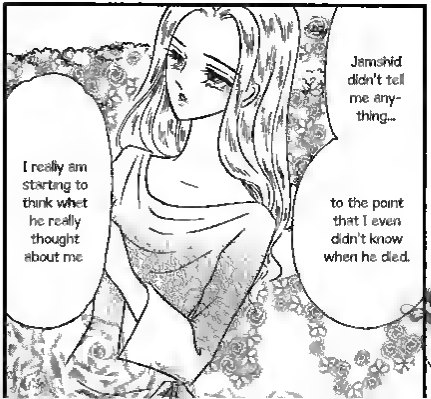
but...
It's just meaningless words...
It's okay
Hey! don't say that!



It's just an impression...
What does that mean?



You know, if that ring was that important, Jamshid wouldn't have given it to me

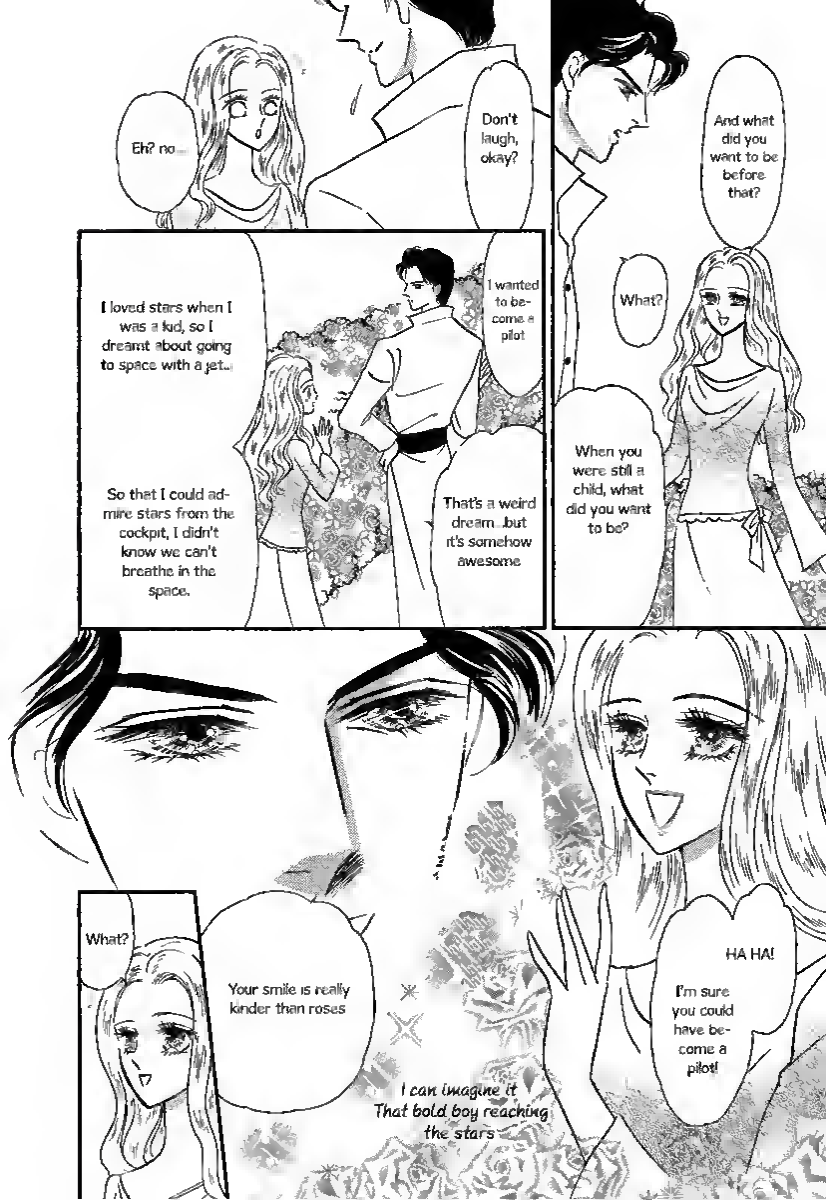


I really am starting to think what he really thought about me
Jamshid didn't tell me anything...
to the point that I even didn't know when he died.

DO YOU THINK JAMSHID WOULD HAVE MARRIED YOU IF HE WASN'T IN LOVE WITH YOU?!
WOMEN ARE ALWAYS LIKE THAT! LOOKING FOR EXPLANATIONS!!
HEY!! ARE YOU WANT TO BLAMING HIM!?
I'M A WOMAN THAT'S TRUE! AND I DON'T SEE ANYTHING WHONG TO THAT!
WHAT?! HOW CAN YOU SAY THAT, YOU, THE MAN WITH A BAD-TEMPER?!
BY THE WAY, WHY ARE YOU SUDDENLY MAD?
DON'T YOU THINK YOU GET ANGRY TOO EASILY?
ah...
um...
sorry

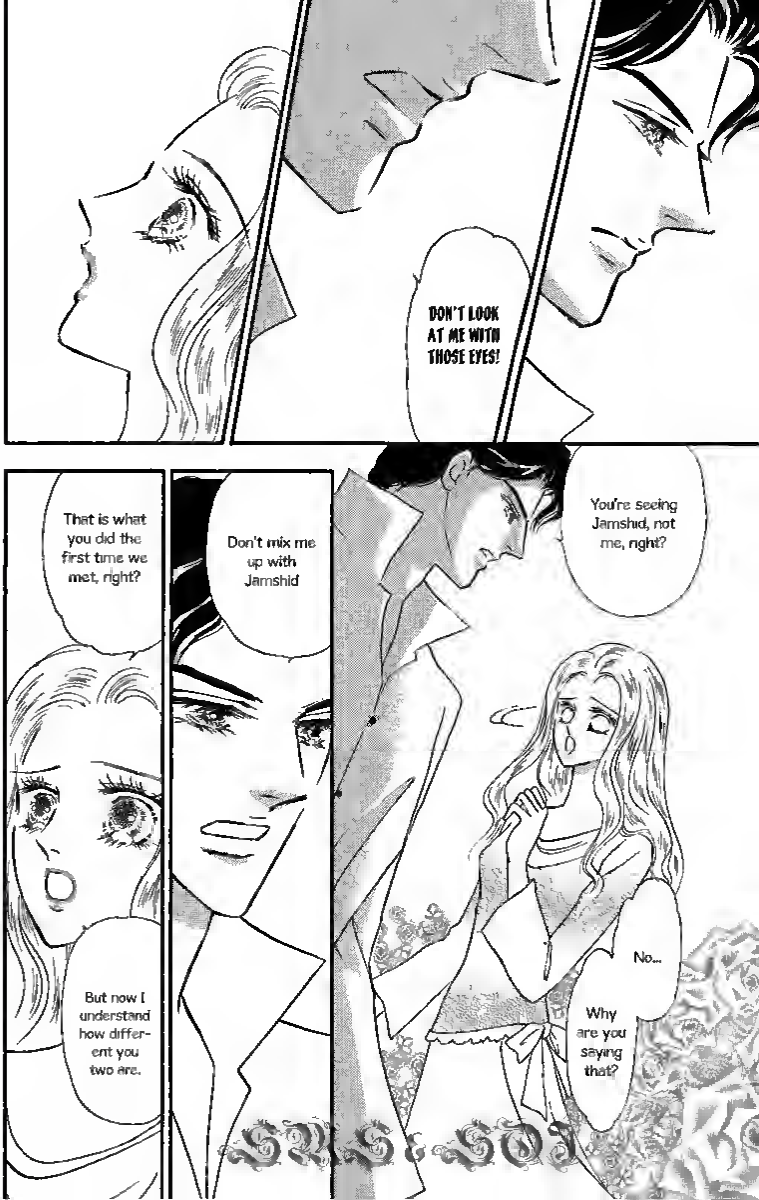
Can I believe you? Because Sam is always apologizing but he always does the same stupid things
Yes... really
You're sorry? Really?
I've always lose my temper...
recently it's become totally im-possible
I try to change that but...
The one you should blame is my mother for leaving me.
Is it because you're worrying about the ring?
that ring is the legitimate sign to govern this country
Yes... among other things

No!
Why? You're the grandson of the previous king, right?
I don't want the throne. I didn't even think about that!
Could it be...that you want that ring to have this power?
Rosalind...
Do you know what we want from Bajestan?
Your bur-den ?
What do you mean?
When I was young, they always told me that I wasn't born for that. I have to carry my burden, no matter what. Don't mix me up with Jamshid!
I just found out about it when I be-came an adult
I was raised like a normal kid, not like someone of the royal family
I wasn't born in the same universe as them.
Y...yes I knew it...but what is the point?



Eh? no...
Don't laugh, okay?
I wanted to become a pilot
I loved stars when I was a kid, so I dreamt about going to space with a jet...
So that I could admire stars from the cockpit, I didn't know we can't breathe in the space.
That's a weird dream...but it's somehow awesome
And what did you want to be before that?
What?
When you were still a child, what did you want to be?
HA HA!
I'm sure you could have become a pilot!
What?
Your smile is really kinder than roses
I can imagine it
That bold boy reaching the stars

No nothing
When they bought the Calice for the first time in Berakat, we suddenly got conscious of the strengh of our lineage.
I also felt how strong my feelings are for this country.
My mission is to resurrect that country !
And then, people of Bejestan can regain their strength
But you saw that as a burden
Is the fact that you're in a royal family a burden? Can anyone make this burden lighter ?
I wonder who will come to your rescue.



DON'T LOOK AT ME WITH THOSE EYES!
You're seeing Jamshid, not me, right?
Don't mix me up with Jamshid
That is what you did the first time we met, right?
No...
Why are you saying that?
But now I understand how different you two are.

REALLY!?
I'M NOT JAMSHID, YOU KNOW?!
And I don't love you
Yes, that's right...
you're not Jamshid...
I just wanted you to protect Sam. That's all that matters to me. But even if I know that, why does it hurt like that?

Why.. why does it hurt like that?..
Shit!
I'm just hurting myself!
However 5 years have passed and you're still in love with Jamshid!
You're so beautyful Rosalind
You hair shines like the sun
Your skin is as white as the moon
and your silhouette is as graceful as flowers

How could I fight a dead man?!
SHIT!
In the end, I will not be able to do anything!

What the...?
There's some-thing that's mak-ing waves... A man?!
A man is swimming?
At a late hour at night?!
NAJIB!!

I needed to cool my head
DON'T BE DUMB! COME BACK HERE!
IT'S DANGEROUS TO SWIM WHEN IT'S DARK!
WHAT ARE YOU DOING?!
Are you sure?
COME ON! HURRY UP!!

But why are you naked?
I always swim naked
AAAAAARGH!!!
waaah!
You're really infernal!
You're too prude! HA HA

Blood is rushing to my head again.
Crap!
Wah that guy!! Seeing him naked made my heart beating so fast...
It's not like I love him... No that's no love But...
